24 Petitioner moves for an entry of default against respondent for failure to respond to the
25 28 U.S.C. § 2241 habeas petition. (Dkt. 18.) The Court recently clarified the posture of this
26 case, which had been transferred to the Western District of Washington from the United States
27 Court of Appeals for the Ninth Circuit, and extended the time by which respondent must file a
28 return. (Dkt. 21.) The Court therefore DENIES plaintiff's motion for an entry of default.
